Dear Mrs. Manley:

Received your letter of April 23.

Enclosed herewith you will find the new mats that I have for the Cuban Stars. I am also enclosing some old team mats.

You can write to Alex Pompez c/o Dr. B. B. Martin, 195 South 3rd Street, Memphis, Tennessee and advise him about your dates on May 8 and 9.

He is scheduled to play in Philadelphia on the 10, so this will work out very nicely for him.

In regards to the May 10 date, I have made arrangements on Staten Island to have your team play the Black Yankees on that date. I hope this will be okay and I wish you would send me immediately some mats and press sheets in connection with this booking.

Each team will receive 35% of the gross gate receipts--no regular guarantee or rain guarantee.

Very truly yours,

W. A. Leuschner
